Depending on when you're reading this, you may be able to purchase that system for just \$75 (Lifetime Use). This is time sensitive, so login to your Valentus back office and click the "Ditto Touch" tab for more info.
- Purchase the 3 pack by September 20th - you will be promoted to the commission rank of "Ruby"
- If you purchase the \$575 pack, you are promoted to the commission rank of Emerald
- If you purchase the \$575 pack, you will complete 1 of the qualifications for unlocking your Legacy Team Bonus
- After you purchase the \$575 pack, personally sponsor 3 IR's (Independent Representatives), who purchase the \$575 pack or the \$1195 pack and be Legacy Team qualified.
- Existing personally sponsored IR's who purchase the \$575 pack or the \$1195 pack will also help you to qualify to unlock your Legacy Team Bonus
- Your 4th personally sponsored IR to buy the \$575 or higher pack, will be the 1st member of your Legacy Team.
- Be sure to setup your 100-point Legacy Purchase (autoship) to make sure you're qualified to earn the maximum commissions based on your commission rank and maintain your commission rank.
- Your personal customer orders DON'T count towards your personal 100 BV. Personal customer orders count towards your binary BV and you will earn 25% on initial orders and re-orders.
- If you want a personal customer order to count toward your 100 BV, log in to your personal back office and place the order, but have it shipped to your customer. This way you receive the credit for the points and your customer receives the product that is shipped to them
- The only requirement to bank volume is 50 BV per month
- To maximize your potential binary commissions, you'll need to have at least 100 BV for your personal account each month and 1 personally sponsored IR on your left and right team who both have 50 BV each month.
